Terms and Conditions **Curro Select Waterstone College LTS Facility**

To make sure that your lessons go swimmingly, please read all the terms and conditions. Before your little swimmer makes a splash with the Perfect Stroke Swimming Team please submit your completed Perfect Stroke Swimming application form and send the Swimming South Africa permit to perfectstroke@icon.co.za.

Curro Select Waterstone College; Waterstone Castle and Perfect Stroke Swimming have COVID-19 health and safety protocols in place; here are the highlights...

- All children are required to wear a mask however, swimmers cannot wear a mask while they swim and will be required to take it off and leave it with their towel so that it's ready to go straight back on as soon as they jump out the pool. While in the pool, coaches will be in a shield so that the swimmers can see our smiles!
- Swimmers will quickly sanitise their hands and complete the screening questionnaire (including recording their temperature) at the pool before every swim. Swimmers displaying any symptoms of COVID-19 (headache; loss of smell and taste; sore throat; difficulty breathing; nausea; vomiting; diarrhea) shouldn't come swim!

Our last swim for the season is on 31 May 2022. Staying busy by joining the Polar Bear Programme, instead of hibernating during June 2022 and July 2022, will give Polar Bear Cubs and Polar Bear Squad a head start when we take the plunge again on 01 August 2022!

Swimming caps and thinking caps are compulsory! Perfect Stroke Swimming's program has quite a talent pool! Finding a non-competitive parent may be a first, but please remember that your child is an individual and will learn at his or her own pace and needs plenty of high fives and hugs.

Please note that these lessons are 30 minutes long, with only five children making waves with their coach in the lesson. Parents don't be absent minded; please try to attend as many lessons as possible. Monthly fees for Beginner to Winner lessons at the Curro Select Waterstone College LTS Facility are R585.00 for lessons once a week and R865.00 for twice a week lessons. Monthly fees do not deep-end on whether you swim or not; fees are payable every month from (including December 2021; January 2022 and May 2022).

Before and after swimming lessons, children are the responsibility of their parents. If your little swimmer attends aftercare, their lessons will need to be on Tuesdays and Thursdays when Perfect Stroke Swimming has extra hands on deck and can assist with signing them out and back in after their lesson. Parents might however need to walk their little princes and princesses to the pool from the Castle. Please note that we do also have Saturday morning lessons at the Curro Select Waterstone College LTS Facility and at our Karen Street Facility and at the Marist Brothers Linmeyer Aquatic Centre to assist working parents.

Perfect Stroke Swimming plays by the rules and this includes the POPI (Protection of Personal Information) Act, 4 of 2013. **No Paparazzi please!** Photos or video recordings may not be taken during our lessons! Perfect Stroke Swimming will stay in touch through WhatsApp groups; please inform your coach before your swimmer dips their toes in if you do not consent to being part of a WhatsApp Group (because your name and phone number will be noticeable to other member of the WhatsApp group). Perfect Stroke Swimming implores members of our WhatsApp groups to not make use of anyone else's personal information without obtaining permission first. **Our Mission Control number is 066 230 5467.** You may also stay in touch via Facebook, Twitter, Instagram and our website www.perfectstrokeswimming.co.za! Please make sure we have your updated phone number and email address. Please note that Perfect Stroke Swimming's Beginner to Winner Programme is independent of Waterstone College and the Waterstone Castle; Perfect Stroke Swimming does not send notifications via the d6 communicator.

And while we're talking no-no's... no smoking, anywhere! It's not all fun and games in our lessons, children who misbehave in their lesson will be asked to leave the pool.

There is also now the possibility of booking a lightning lesson or catch up class... these classes will be on one Saturday afternoon each month; this will be communicated to parents through Perfect Stroke Swimming's What'sApp Groups by Mission Control (please don't text our swimmers' coaches about catch up classes). All bookings will be confirmed by What'sApp from Mission Control too, so that the classes don't overflow!

Our swimming teachers are fully immersed in their work; they're SSA qualified and spend most of their day in the pool and definitely don't take calls while they're on deck. Please send a quick WhatsApp and your coach will reply as soon as she doesn't have granny fingers and can unlock her phone!

It should not come as a shock that Perfect Stroke Swimming will not endanger its swimmers or coaches by swimming during thunderstorms! Please download the Lightning Alarm App or Weatherbug... swimming will be cancelled if there is a lightning strike within the 10 km radius of the Marist Brothers Linmeyer Aquatic Centre and will resume 30 minutes after the last lightning strike within the 10 km radius of the Curro Select Waterstone College LTS Facility.

We won't think you're just making waves, if you're unhappy about anything please email Abi Williams at perfectstroke@icon.co.za. We are always striving for perfection and so we really do appreciate your feedback. But if you do need to cancel your contract with Perfect Stroke Swimming, one calendar month's written notice or a month's fees in lieu thereof are required.

Our accountant is paid to be right on the money! Fees are payable in advance on or before the seventh of the month. Statements with debit balances are emailed on the first of the month or on the first Monday of the
